

Jean Francois Robert Boulard - Board Member

İzocam Tic. ve San. A.Ş.

Graduated in Economics and Finance from Paris-X University and Ecole des Ponts et Chaussées in France, Jean-François Boulard started his career at Crédit Agricole Investment Banking as an internal auditor. He joined Saint-Gobain in the Strategy Department in 2006. In 2009, he moved to Brazil as financial controller of SaintGobain Latin America, and then worked as financial director of construction products businesses in Brazil. Deputy M&A Director as from 2019, he actively participated in the implementation of the Saint-Gobain's transformation strategy by carrying out several acquisition and divestment operations. Since September 2022, Jean-François Boulard is CFO for Saint Gobain Eastern Mediterranean and Middle East and a member of the Board of Directors of Izocam.
